

HUNTER'S HILL COUNCIL

ANNUAL FIRE SAFETY STATEMENT

Issued under the Environmental Planning and Assessment Regulation 1994

CERTIFICATE

Name owner/agent | _____

Address | of _____

Certify that

1. Each of the essential fire measurers listed below has been assessed by a properly qualified person; and
2. Each fire safety measure was found, when it was assessed:
 - (a) Where an essential fire safety measure applies because it is specified in the fire safety schedule for the building, to be capable of performing to at least the standard set out in the schedule; or
 - (b) Where an essential fire safety measure applies although it is not specified in a fire safety schedule for the building, to be capable of performing to at least the standard for which the measure was originally designed and implemented; and
3. The building has been inspected by a properly qualified person and was found, when it was inspected, to be in a condition that did not disclose any grounds for prosecution under Division 7.
4. The information contained in this statement is true and accurate to the best of my knowledge and belief.

IDENTIFICATION OF BUILDING

Unit No: _____ House No: _____

Street _____ Lot: _____
