Conditions

- (1) All building waste containers or skips are to be located on private property at all times, wherever practicable. The placement of such containers on the roadway or footway section of any roadway will only be permitted in exceptional circumstances where it is not possible to locate containers on private property.
- (2) No permit will be issued for building waste containers or skips to be placed within any reserve at any time.
- (3) Application must be made to Council and the fee paid and approval in writing granted before any waste container or skip is placed on the roadway or footway section of any road.
- (4) All building waste containers or skips placed on the roadway or footway section of any road must have legibly displayed thereon the name, address and telephone number of the supplier and be provided with battery operated yellow flashing lights mounted on the rear panel, so that the lights are visible to oncoming traffic behind the container or skip. All building waste containers or skips placed on the roadway or footway section of any road must have safety barriers, reflective tape and cones surrounding the building waste container/skip at all times to make it visible to vehicles and pedestrians.
- (5) Containers or skips placed on the roadway or footway section of any road must be placed as directed by Council.
- (6) Companies or individuals supplying containers or skip or the hirers must accept liability for the any damage caused to footpaths, kerbs and gutter, landscaping or services in the placement or removal of containers or skips.
- (7) The design, including the size, shape and colour or any waste container or skip shall be to the satisfaction of Council.
- (8) Any application for placement of waste containers or skips on the roadway or footway section of any road shall be accompanied by evidence of a current public liability insurance policy with a minimum cover of \$20 million.
- (9) Council reserves the right to order the removal of any building waster container or skip, despite any approval granted, if such container or any activity associated with it causes a nuisance.
- (1) Putrescible waste or dangerous or hazardous wastes shall not be placed in any building waste container or skip.
- (2) The supplier or hirer shall agree in writing on the application form that they will bear responsibility for the removal of any waste deposited in or around the building waste container or skip whether by himself or at his direction or by any other person.

Please allow seven (7) days for processing of the application.

N.B. Council has the power to prosecute persons placing building waste containers or skip in any part of a road (including footpaths/nature strip) or any reserve contrary to the above conditions or if placed without permission. Council may remove any containers or skips that are placed in dangerous situation or that are a nuisance or impede traffic or pedestrians.
