BUILDING INFORMATION CERTIFICATE

9. PRIVACY STATEMENT

The personal information requested in this form is required under the Environmental Planning and Assessment Act 1979 and will only be used in connection with the requirements of this legislation. If you do not provide the information, Council will not be able to process your application. This information will be available to Councillors, Council Officers, consultants to the Council and members of the public as required by the Act. Council is to be regarded as the agency that holds the information. You may request amendments of any personal information held by Council that is incorrect.

IMPORTANT INFORMATION

- On 1 May 2006, the *Environmental Planning and Assessment Amendment (Smoke Alarms) Regulations 2006* came into effect. To ensure and promote fire safety, Council will not issue a Building Information Certificate where the relevant building or part thereof, is found to be non-compliant with this Fire Safety Regulation. Further information on the above legislation can be obtained from Council.
- Council officers will check that any pool fences relevant to the application comply with the *NSW Swimming Pools Act 1992*. To ensure and promote pool safety, Council will not issue a Building Information Certificate where a pool fence relevant to the application is to be non-compliant with the *Swimming Pools Act 1992* as it applies.
- Pursuant to Section 6.26 of the *Environmental Planning and Assessment Act 1979*, on receipt of an application, the council may, by notice in writing served on the applicant, require the applicant to supply it with information including building plans, specifications, survey report and certificates, as necessary to enable the proper determination of the application.
- Pursuant to Section 6.26 of the *Environmental Planning and Assessment Act 1979*, if the applicant is able to provide evidence that no material change has occurred in relation to the building since the date of a survey certificate or a copy of a survey certificate which, is supplied to the council by the applicant, the council is not entitled to require the applicant to supply a more recent survey certificate.
- Expected turnaround time is **15 to 20 working days**. A longer assessment time may result where unsatisfactory information is supplied and where further inspections are required. You must provide contact details, to organise the necessary site inspection. Council will also review all building records relevant to the application.
- By requesting a Building Information Certificate you are giving consent for photographs to be taken of your property and kept on Council's file.

FEE

Building Information Certificate (of the Act) (Class 1 and Class 10) \$ 250.00

The fee for any other class of building is calculated using the floor area
