Ms Lisa Miscamble  
General Manager  
Hunters Hill CouncilSent via: [customerservice@huntershill.nsw.gov.au](mailto:customerservice@huntershill.nsw.gov.au)

Dear Ms Miscamble,

**Notification of proposal to install a new mobile phone base station on the rooftop of the building at 107 Pittwater Road, Hunters Hill NSW 2110**

I am writing on behalf of Vodafone to inform you of a proposal to construct a new mobile phone base station at the above address. This proposal does not require Development Approval and consultation is being undertaken in accordance with the requirements of Section 6 of the Mobile Phone Base Station Deployment Code 2018.

**Figure 1:** Proposed location

The proposal is to relocate the existing facility located on the light pole in front of the building at 107 Pittwater Road, onto the rooftop of the newly redeveloped building. The existing facility on the light pole has been in place since 2011, however the new building has obstructed the signals, resulting in diminished coverage to residents and businesses in the local area. The purpose of this proposal is to improve mobile network coverage in the area that suffered coverage losses due to the redevelopment of the building. In addition to providing coverage losses, the proposal will provide enhanced in-building coverage and mobile data capacity to residences and commercial properties in the area.

The proposed facility will comprise of six (6) panel antennas mounted on a new poles within a shroud, a 6-Bay outdoor equipment unit painted in light grey colour located on the roof slab, ancillary equipment such as radio remote units, antenna mounts, cable trays and cable ladders, cabling, electrical, to ensure the proper functioning of the of the facility.

Details about the proposed facility and its emissions can be found on the website [www.rfnsa.com.au](http://www.rfnsa.com.au) site number 2110027. The proposed facility will be in compliance with the ACMA EMR regulatory arrangements and the ARPANSA Public Exposure Limits.

As part of Vodafone's consultation process, we invite you to provide us with your feedback about this proposal. You can do this by contacting us by letter, email or by calling the contact number outlined below. We will accept comments on the proposal until 5pm on Monday **26 October 2020**.

At the end of the consultation process, a report on the outcomes and next steps will be provided to Council and made available on the RFNSA website.

We trust that you will find the information about this proposal on the RFNSA website informative and are happy to provide you with more details by phone or email.

May we remind you that submissions about this proposal are due by 5pm on Monday **26 October 2020** and look forward to receiving your feedback.

Yours sincerely,

Kasia Kucypera | Town Planner  
**CPS Global** (on behalf of Vodafone)
